PROFESSIONAL EXPERIENCE

Emory Healthcare

Atlanta, GA

Executive Administrative Internship (Unpaid)

April 2023 - Present

- Leading three major projects while reporting directly to the C-suite (CNE, CNO, CWO, and CFO), VP executives, and a member of the finance board of directors.
- Implementing cost accounting to calculate the components of nurse turnover to gain actionable financial insights for enhancing the Emory Healthcare nursing workforce, developing a machine learning model to forecast nursing turnover risk, and project managing the transition of Emory Healthcare's peer support program to a hybrid format.

Emory University

Atlanta, GA

Doctoral Research Assistant

August 2022 - Present

- Engaging in research tasks for a \$1.2 million R01 grant, encompassing strategic planning, analyzing extensive Medicare beneficiary data, manuscript composition, and disseminating findings at national conferences.
- Coordination of processes related to the operation of a large R01 grant, such as multidisciplinary communication, quality assurance, budgetary oversight, regulatory compliance, and technology management.

Integrated Resources

Minneapolis Metro Area

Short-Term Contract Nurse

December 2021 - April 2022

- Organized and executed independent supervision of COVID-19 test clinics, directing all operational tasks and patient care.
- Ensured expert execution of testing protocols while adhering to established guidelines to improve efficiency and safety.

University of Minnesota

Minneapolis, MN

Research Coordinator

July 2021 - May 2023

- Supervised critical research tasks such as participant screening, consent procedures, and intervention implementation for a groundbreaking \$3.2 million clinical trial co-conducted by the Mayo Clinic and the University of Minnesota.
- Collaborated with Mayo Clinic teams on cross-site communication and conducted rigorous backend research, including precise data abstraction and analysis.

M Health Fairview University of Minnesota Medical Center

Minneapolis, MN

Surgical Intensive Care Unit (ICU) Nurse

June 2020 - February 2021

- Delivered exceptional nursing care within a dynamic 28-bed Surgical/Neuro/Trauma/Transplant ICU, which rapidly transitioned into a COVID ICU unit in the Fall of 2020.
- Expertly managed a patient cohort encompassing critical conditions such as COVID-19, sepsis, gastrointestinal bleeds/surgery, neurosurgical tumor resections, and hemorrhagic/ischemic strokes.

LEADERSHIP AND COMMUNITY INVOLVEMENT

Advanced Degree Consulting Club

Atlanta, GA

President

April 2023 - Present

- Reestablished an organization that aims to provide Ph.D., M.D., and other graduate degree seekers, with education, resources, and networking opportunities for management consulting recruitment.

Ph.D. Student Nurses Association

Atlanta, GA

Vice President and Faculty Liaison

April 2023 - Present

- Empowering Ph.D. nursing students to achieve academic, professional, and personal success by advocating for resources and opportunities through clear communication and collaboration with faculty.

EmWELL RN Committee

Atlanta, GA

Committee Member

February 2023 - Present

- School of Nursing representative on a committee that aims to enact change by advocating for system-wide well-being initiatives that have the potential to reduce mental and physical exhaustion for over 8,000 nurses across Emory Healthcare.

Empowering Nurses Community/Podcast

National

Co-founder and Host

January 2021 - September 2022

- Connected nurses and nursing students in a dynamic community that fostered growth through insightful podcast episodes, vibrant discussions, and educational initiatives.
